Graduation of our three boys as Teachers namely Wakumelo, Robson and Grafton. Robson got a distinction! All the three graduates are double orphans who have been raised to this date by Nyamphande Orphanage. Our prayer is for them to run the institution in the near future. We thank God for our praying partners, well-wishers and mostly the Willistone Church of God who have been laboring with us to this day.

DISTRIBUTION OF CLOTHS

Distribution of cloths donated by well-wisher to double orphans
we thank each and everyone of them, God bless!!

We farther request from those who can extend (give) used cloths, shoes and blankets for the double orphans to help them sleep warm through this cold season. We are also working on books for a library so any donations for books are welcome.
